SIYAVALE

The Complete Catalog

Websites, brand systems & AI services - designed for ambitious small businesses.

NINE DESIGN LANGUAGES. ONE STUDIO. ZERO TEMPLATES.

PART ONE

Nine imaginary businesses. Nine design languages.

Every concept in this section was designed and built by Siyavale to show range. Your business gets its own language - chosen for your customers, your town, your taste. Never a template.

STYLE 01 · EDITORIAL MINIMAL

Paper & Post

A stationery studio that lets paper speak.

Wide margins, one perfect serif, ink-black type on cotton white. Nothing decorative - everything deliberate.

ESTABLISHED 2021 · LONDON

STYLE 02 · GLASSMORPHISM

Lume

Skincare that glows like frosted glass.

Frosted panels floating on soft gradients, light bleeding through every surface.

HYDRATE · GLOW · REPEAT

STYLE 03 · DYNAMIC 3D

Orbit Cycles

Bikes built for the city, sold like spaceships.

Deep space blacks, chrome accents, product floating in a dark void with electric highlights.

360° VIEW · CARBON SERIES

STYLE 04 · NEO-BRUTALIST

Loud Kettle

Tea with the volume turned up.

Raw borders, hard shadows, clashing primaries. Unpolished on purpose, impossible to ignore.

BREW LOUD. SIP LOUDER.

STYLE 05 · NEUMORPHIC

Nest & Knob

Homeware that feels like a quiet Sunday.

Soft extruded shapes pressed out of one warm grey - buttons you want to touch.

SOFT · SLOW · HOME

STYLE 06 · RETRO 70S

FERNWEH DINER

A DINER THAT NEVER LEFT 1974.

Burnt orange, harvest gold, avocado green. Curvy type, striped horizons, vinyl booths.

OPEN LATE • PIE ALWAYS

STYLE 07 · ORGANIC CALM

Stillwater Yoga

Breath-first design for a riverside studio.

Warm stone, sage and clay. Rounded forms, slow rhythm, nothing sharp anywhere.

INHALE · EXHALE · RETURN

STYLE 08 · CINEMATIC GALLERY

Northlight

A photographer who shoots in whispers.

Full-bleed dark frames, thin captions, gallery pacing. The photo is the interface.

EXHIBITION 04 · NORTHERN LIGHT

STYLE 09 · ART-DECO LUXE

Velour & Vine

A jazz-age florist with gilded edges.

Midnight green, champagne gold, fan motifs and marble. Decadence with discipline.

BOUQUETS · SOIRÉES · EST. 1925

PART ONE, CONTINUED

Nine more imaginary businesses. Nine more design languages.

The range keeps going. Same rule as the first nine: every concept below was designed and built by Siyavale to show range, never a template — your business gets its own language, chosen for your customers, your town, your taste.

STYLE 10 · SWISS INTERNATIONAL

KESSLER & LINE

An architecture studio that draws in straight lines.

Grid-locked layout, one weight of red, acres of white space.
Nothing decorative survives the edit.

PRECISION · STRUCTURE · LIGHT

STYLE 11 · DARK LUXURY MINIMAL

Altiora

Private aviation, arranged quietly.

Matte black, hairline gold rules, a single serif used sparingly.
Nothing shouts — the service already has.

DISCRETION · ALTITUDE · EASE

STYLE 12 · MAXIMALIST COLLAGE

STATIC BLOOM

A record label that refuses to sit still.

Clashing colour blocks, oversized type stacked off-grid, nothing centred. Loud on purpose, legible by design.

NEW RELEASES EVERY FRIDAY

STYLE 13 · SCANDINAVIAN CLEAN

Hearth & Wheat

A neighbourhood bakery, nothing more.

Warm cream, one honest terracotta, generous air around every word. Bread needs no filter.

OVEN ON AT 6AM DAILY

STYLE 14 · CYBERPUNK NEON

NULLPOINT

An esports arena built for the feed.

Near-black stage, magenta and cyan bleeding at the edges, every label monospaced. The match is the interface.

LIVE · RANKED · 24/7

STYLE 15 · VINTAGE BOTANICAL

Bramblewood

An apothecary stocked from the hedgerow.

Aged parchment, forest green, a serif that remembers handwriting. Every tincture gets a label, not a barcode.

TINCTURES · TEAS · SALVES

STYLE 16 · INDUSTRIAL MONO

FURNACE

Coffee roasted like it owes you nothing.

Concrete grey, rust-orange accents, condensed caps on every label. The roaster is the showroom.

ROASTED ON SITE · SMALL BATCH

STYLE 17 · PASTEL KAWAII

Mochi & Mint

A dessert café that takes sugar seriously.

Soft pink, mint and lavender, every corner rounded. Cute on sight, precise on the plate.

FRESH BATCH · NOON DAILY

STYLE 18 · TROPICAL VIBRANT

KELP & CORAL

A surf shop that smells like salt.

Turquoise fading to deep teal, coral type, sand-pale accents. Built for bare feet and bright light.

BOARDS · WETSUITS · WAX

PART TWO - AI SERVICES & AUTOMATIONS

SERVICE 01 / 07

HOW WE WORK

Simple, fast, honest.

1. We listen - one conversation about your business and where it hurts.

2. We show - a real concept built for your business, not a slide deck. You see it before you pay anything.

3. We build - agreed scope, agreed price, weekly progress you can click.

4. We stay - fixes, updates and small changes looked after. No disappearing acts.

EARLY-CLIENT PRICING WHILE WE GROW · ASK US

Design not in this catalog? Tell us - we will build it.

Crafted at machine speed.
